CURRICULUM VITAE

Jung-ran Park

Associate Professor
College of Computing and Informatics
Drexel University
3141 Chestnut Street
Philadelphia, PA 19104-2875
Phone: (215) 895-1669; FAX: (215) 895-2494
E-mail: jung-ran.park@drexel.edu

Research Areas:

Knowledge Organization and Representation, Metadata, Semantics, Cataloging, Computer-Mediated Communication (CMC), Cross-Cultural Communication, Multilingual Information Access, Digital Libraries

Education:

Ph.D. Linguistics, University of Hawaii, 2003
MLIS. Library and Information Science, University of Hawaii, 2000
M.A. Korean Linguistics, Sogang University, South Korea, 1994
B.A. Korean Language and Literature, Mokpo National University, South Korea, 1992

Professional Experience:

Sep 2011 – present	Associate Professor, College of Information Science and Technology, Drexel University
Sep. 2004 – Aug 2011	Assistant Professor, College of Information Science and Technology, Drexel University
Oct. 2000 – July 2004	Cataloging Librarian, Cunningham Memorial Library, Indiana State University
Jan. 2002 – May 2002	Instructor, Dept. of Languages, Literatures and Linguistics, Indiana State University
Mar. 2000 – Aug. 2000	Librarian, Western Curriculum Coordination Center, College of Education, University of Hawaii
Jan.1997 – Feb. 2000	Cataloging Technician, Hamilton Library, University of Hawaii
Aug. 1999 – Dec. 1999	Intern, Asia Collection, Hamilton Library, University of Hawaii
Sep. 1996 – May 1998	Research Assistant, Dep. of Linguistics, Ph.D. Program, University of Hawaii

Teaching Areas:
- Cataloging and classification
- Metadata and resource description

- Digital libraries
- Content representation
- Informatics

Grants Awarded:
- Principal Investigator. IMLS 21st Century Laura Bush program. Building a workforce of information professionals for 21st century global information access. Institute of Museum and Library Services (IMLS), $499K (excluding cost share), 2014-2017.

- Principal Investigator. IMLS 21st Century Laura Bush Research Award. Modeling Interpersonal Discourse for Digital Information Service: Evaluation of the Question Answering Service of the Internet Public Library. Institute of Museum and Library Services (IMLS), $245K (excluding cost share), 2008-2011.

- Principal Investigator. IMLS Early Career Development Award. Metadata Creation and Metadata Quality Control across Digital Collections: Evaluation of Current Practices. Institute of Museum and Library Services (IMLS), $439K (excluding cost share), 2006-2010.

- Principal Investigator. International Faculty Travel Grant. Promoting ISU International Education and Strengthening the Link between ISU and International Partners. Indiana State University, International Affairs Center. $2,000, 2002.

Authored Book (Invited):
